VERDICT AGAINST RAPID TRANSIT

Judge Robinson yesterday heard the case of Rametia J. Frances vs. The Honolulu Rapid Transit and Land Co., a suit for \$5,000 for personal injuries. The plaintiff claimed to have been injured while getting off a car on Lunalihi street on November 21, 1902, contending that the car started before she had alighted. The defense was that she alighted from the car, and as it started again caught hold and was dragged a short distance. The defendant wished a continuance because of the absence of Carl Liedke, the conductor, but this Judge Robinson denied.

The jury was out about an hour returning a verdict for plaintiff for the sum of \$500, one-tenth of the amount sued for.

Death Came Too Quick.

The remains of Walter B. Corey, who died at Waikiki on Monday, were carried to San Francisco by the Coptic. They were accompanied by the mother of the deceased. Mr. Corey came here from Rochester, N. Y., for his health which did not improve, and as he seemed to be nearing his end it was decided they should start for home in the Coptic. Mr. Corey died as the Coptic came into the harbor from Yokohama. The body was embalmed and taken aboard Monday evening.

LOCAL BREVITIES.

There will probably be a meeting of the Board of Health today.

A shipment of fuel oil was sent down to Oahu railway yesterday for the Honolulu Plantation and the Oahu Sugar Co.

The Hawaii Shinpo charges that the police at Ewa are in a scheme to fleece the Japanese in that district. The matter is being investigated.

Jas. H. Hakuole, former Japanese interpreter, has been appointed cashier in the Internal Revenue Office to succeed H. M. Hepburn who has gone to Washington. Collector Chamberlain made the appointment.

J. L. Benoit, the humane officer would like to have all reports of cruelties to animals, etc., reported to him at 577 Beach road, or telephoned to Mrs. A. G. Hawes, Jr., and the same will be immediately attended to.

F. Martin returned to his home in Hilo yesterday, having fully recovered his eyesight. During his stay here he was under the treatment of Dr. J. B. de Faria, who performed a very delicate operation in the removal of a cataract from the eye.

No Trace of Samuels.

Search around the harbor yesterday failed to disclose the fate of Louis Samuels, the cook of the schooner Forest Home, who either fell into the water on Monday night while attempting to get into a boat from the vessel, or took French leave. The police are inclined to the theory that Samuels missed his footing while lowering himself into the boat and plunged into the harbor. A native was employed yesterday to dive at various places under the vessel but found nothing of Samuels.

Bishop Moore Coming.

Methodist Bishop Moore and Rev. M. C. Harris, the latter in charge of the Methodist mission, work among Japanese on the Pacific Coast, are expected to arrive here in the Siberia. Bishop Moore will probably hold one service in Rev. Mr. Pearson's church on the evening of the day of the Siberia's coming. Rev. Mr. Harris will stay here several weeks.

Little Water at Hutchinson.

The Mauna Loa returned yesterday from Hawaii with 7477 bags of sugar. The vessel had a pleasant trip throughout, fine weather all along the Kona and Kau coast. A scarcity of water was reported at Hutchinson plantation and Hawaiian Agricultural plantation, necessitating the closing of the Hutchinson's Honuapo mill.

Important Reasons

Why Herring-Hall-Marvin Safe Co. Safes
and Locks are the Best.

The concrete filling makes these safes absolutely fire proof and positively damp proof. The solid angle corners add greatly to their security in time of fire and form the only solid corners made. The patent Bolt Work is superior to any in use and does not require the constant oiling, cleaning and repairs that is acknowledged in other makes of safes. That although 600,000 of these safes are now in use and many thousands have been tested by some of the most disastrous conflagrations in the United States, there is not a single instance on record wherein one of them ever failed to preserve its contents perfectly. They make safes for county treasurers, county recorders, county clerks, jewelers, hotels, residences, churches and corporations. We have a large assortment of safes on hand and will be pleased to show same.
